ABOUT END CITIZENS UNITED AND LET AMERICA VOTE PAC

End Citizens United/Let America Vote (ECU/LAV) is dedicated to fixing and strengthening our democracy by ending the flow of unlimited and undisclosed money in politics and protecting and expanding the right to vote. We take a full and comprehensive approach to rectifying the severe consequences the *Citizens United* and *Shelby County v. Holder* decisions have had on our elections: enacting a constitutional amendment to overturn the *Citizens United* decision; supporting comprehensive legislation like the **Freedom to Vote Act** that reforms our campaign finance laws to curb the influence of Big Money flowing into our elections, tackles corruption, and expands and protects voting rights; and confirming federal judges and Supreme Court Justices who will uphold the sacred right to vote for all Americans and who believe political donations do not equate to political free speech.

ECU/LAV is a community of more than 4 million Americans dedicated to reforming and strengthening our democracy, protecting voting rights, fixing our nation's broken campaign finance system, and ending *Citizens United*. Our supporters are active and engaged in the political process as a progressive grassroots community dedicated to electing democracy reform champions.

Our strength comes from the power of many individuals standing together to call for change. We're proud to be supported by more than 1,000,000 donors across America who helped create a groundbreaking model that's proven the power of the grassroots to compete with corporate special interests. We help everyday Americans fight against the influx of Big Money in our politics that is trying to drown out their voices and suppress their votes.

ABOUT THIS SURVEY

ECU/LAV will use this questionnaire and past votes, statements, and actions on campaign finance and voting rights issues to guide our process for selecting candidates to endorse. We take a holistic approach that emphasizes a candidate's overall commitment to reforming and strengthening our democracy; ECU/LAV encourages, but does not require, 100% support of the included questionnaire items as a prerequisite for endorsement.

Kindly return your completed questionnaire by sending an electronic copy to Milan Patel at milan@endcitizensunited.org. Your answers to questions 1-15 and your answers in the campaign fundraising and reform commitments section of this questionnaire may be released to the public.
