ABOUT THIS SURVEY

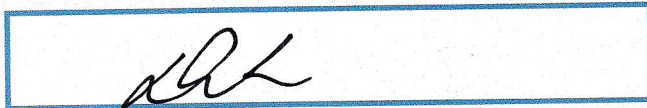

Since the *Citizens United* decision became law, American elections have been inundated by spending, particularly from unregulated "dark" money. End Citizens United, a grassroots effort to reform our campaign finance system, will use this questionnaire and past actions on campaign finance issues to guide our process for selecting candidates to endorse.

There are many avenues to campaign finance reform. We encourage you to use the space provided to explain your answers or ask questions if you so choose. We are, however, unequivocal in our opposition to the Supreme Court's *Citizens United* decision and the opportunities for corruption that it created. We will not stand with any candidate who supports the decision as written.

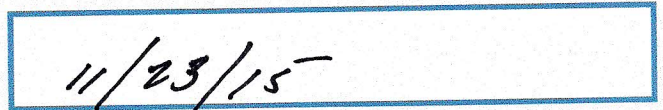

Kindly return your completed questionnaire by sending an electronic copy to Jessica Adair at jessica@endcitizensunited.org, or a hard copy to End Citizens United PAC, PO Box 66005, Washington, DC, 20035. Your answers to this questionnaire as well as any endorsements made by End Citizens United PAC will be released to the public.

1

Do you oppose the Supreme Court's decision in *Citizens United*?

☒ YES ☐ NO

OPTIONAL EXPLANATION:

The First Amendment was written for individual rights, not corporate rights.

2

Would you support a Constitutional Amendment that undoes *Citizens United* and grants Congress and the states the power to regulate campaign finance?

☒ YES ☐ NO

OPTIONAL EXPLANATION:

I am conservative when it comes to constitutional amendments, but I would consider it after exhausting legislative avenues.

Please indicate if you've co-sponsored or support any of the following campaign finance reform bills:

- ☒ GOVERNMENT BY THE PEOPLE ACT
- ☒ DISCLOSE ACT - *I would raise some of the thresholds*
- ☐ KEEPING OUR CAMPAIGNS HONEST (K.O.C.H) ACT
- ☒ FAIR ELECTIONS NOW ACT
- ☐ DEMOCRACY FOR ALL AMENDMENT

LIST ADDITIONAL LEGISLATION HERE:

I sponsored several campaign finance reform bills as a state legislator and chaired the Election Laws Committee.

REQUIRE FULL DISCLOSURE

Do you support legislation requiring dark money entities, such as 501(c)(4) groups to disclose their donors and spending when they engage in any political activity that mentions a candidate for federal office and/or is intended to influence a federal election?

☒ YES ☐ NO

OPTIONAL EXPLANATION:

It is important to tailor the disclosures to large contributions. It is also important to hold organizations responsible for adhering to the purposes of the 501(c)(4) law and regulations when they spend on political activities.

Would you support legislation requiring dark money groups to publicly disclose their top ten donors if they spend money on voter contact?

☒ YES ☐ NO

OPTIONAL EXPLANATION:

I agree when the top ten donors spend large amounts of money. Small contributions deserve more privacy.

As of July 1st, 2014 the FCC has required that TV stations post their public file (which details political spending) online. Currently this database isn't searchable and doesn't extend to cable providers. Will you support legislation requiring a searchable database and extending coverage to include cable TV spending?

☒ YES ☐ NO

OPTIONAL EXPLANATION:

STOP COORDINATION

7

Currently a campaign staffer can quit the campaign and work for a SuperPAC supporting the candidate that employed the staffer after just a 120 day cooling off period. Would you support a cycle long cooling off period, preventing that staffer from working for a SuperPAC or 501(C)4 supporting his or her former employer until the next campaign cycle?

☒ YES ☐ NO

OPTIONAL EXPLANATION:

8

Currently the FEC holds that coordination only flows one way. This means that while a campaign is forbidden from sharing its plans, methods, and strategies with a SuperPAC, the SuperPAC can share its plans, methods, and strategies with the campaign. Do you support legislation to end this loophole?

☒ YES ☐ NO

OPTIONAL EXPLANATION:

REDUCE PAY TO PLAY

9

29 states currently ban lobbyists from donating during legislative sessions.¹ Do you support legislation to extend this ban to Congress?

☒ YES ☐ NO

OPTIONAL EXPLANATION:

10

A 2012 study found that "the more companies give in campaign contributions, the more they get in contracts, on average."² In fact, the study found that \$200,000 in donations leads to an average addition of 107 government contracts. Would you support legislation that prohibits the executives, lobbyist, and company PAC from donating to federal candidates if the company has or is seeking federal contracts?

☒ YES ☐ NO

OPTIONAL EXPLANATION:

I would support a narrowly tailored approach with more disclosure.

EXPLANATION:

*I have been a long time

*The people have a right to
know who has disproportionate
