ABOUT THIS SURVEY

Since the *Citizens United* decision became law, American elections have been inundated by spending, particularly from unregulated "dark" money. End Citizens United, a grassroots effort to reform our campaign finance system, will use this questionnaire and past actions on campaign finance issues to guide our process for selecting candidates to endorse.

There are many avenues to campaign finance reform. We encourage you to use the space provided to explain your answers or ask questions if you so choose. We are, however, unequivocal in our opposition to the Supreme Court's *Citizens United* decision and the opportunities for corruption that it created. We will not stand with any candidate who supports the decision as written.

Kindly return your completed questionnaire by June 23rd by sending an electronic copy to Jessica Adair at jessica@endcitizensunited.org. Your answers to this questionnaire as well as any endorsements made by End Citizens United PAC will be released to the public.

UNDO CITIZENS UNITED

1

Do you oppose the Supreme Court's decision in *Citizens United*?

YES NO

OPTIONAL EXPLANATION:

When I returned to Congress in 2013 one of the first pieces of legislation I introduced was the “We the People” amendment to over turn Citizens United.

2

Would you support a Constitutional Amendment that undoes *Citizens United* and grants Congress and the states the power to regulate campaign finance?

YES NO

OPTIONAL EXPLANATION:

Please indicate if you've co-sponsored or support any of the following campaign finance reform bills:

- GOVERNMENT BY THE PEOPLE ACT
- DISCLOSE ACT
- KEEPING OUR CAMPAIGNS HONEST (K.O.C.H) ACT
- FAIR ELECTIONS NOW ACT
- DEMOCRACY FOR ALL AMENDMENT

LIST ADDITIONAL LEGISLATION HERE:

I just introduced our Restore Democracy Resolution (H.Res. 311). This resolution confirms that money is not free speech by making it clear that corporations are not people, sets limits on the amount of money that can be spent on Federal campaigns, provides for public financing of elections, limits campaign advertising to 60 days before an election and prohibits candidates from soliciting or collecting campaign contributions during legislative sessions, protects the constitutional right to vote by expanding online voter registration, ends gerrymandering and restores regular order by requiring bills to go through the committee process and come to the floor under an open rule.

REQUIRE FULL DISCLOSURE

Do you support legislation requiring dark money entities, such as 501(c)(4) groups to disclose their donors and spending when they engage in any political activity that mentions a candidate for federal office and/or is intended to influence a federal election?

- YES NO

OPTIONAL EXPLANATION:

Our last two election contests have been among the most expensive races in the country with millions of outside dollars spent for this seat. I believe our elections need to be transparent which would allow the public to see who is trying to influence these elections. I believe any group attempting to influence a federal election contest must disclose their donors and report to the FEC like all Congressional candidates are required to do.

5

Would you support legislation requiring dark money groups to publicly disclose their top ten donors if they spend money on voter contact?

YES NO

OPTIONAL EXPLANATION:

I will support any legislation requiring any organization spending money on voter contact to disclose all of their donors.

6

As of July 1st, 2014 the FCC has required that TV stations post their public file (which details political spending) online. Currently this database isn't searchable and doesn't extend to cable providers. Will you support legislation requiring a searchable database and extending coverage to include cable TV spending?

YES NO

OPTIONAL EXPLANATION:

The public should have easy access to these databases and we should require these databases to include cable TV spending.

STOP COORDINATION

7

Currently a campaign staffer can quit the campaign and work for a SuperPAC supporting the candidate that employed the staffer after just a 120 day cooling off period. Would you support a cycle long cooling off period, preventing that staffer from working for a SuperPAC or 501(C)4 supporting his or her former employer until the next campaign cycle?

YES NO

OPTIONAL EXPLANATION:

I believe this legislation could help us put an end to the coordination between SuperPAC's and campaigns.

8

Currently the FEC holds that coordination only flows one way. This means that while a campaign is forbidden from sharing its plans, methods, and strategies with a SuperPAC, the SuperPAC can share its plans, methods, and strategies with the campaign. Do you support legislation to end this loophole?

YES NO

OPTIONAL EXPLANATION:

I believe any coordination between a SuperPAC and campaign should be forbidden.

REDUCE PAY TO PLAY

9

29 states currently ban lobbyists from donating during legislative sessions.¹ Do you support legislation to extend this ban to Congress?

YES NO

OPTIONAL EXPLANATION:

I believe we should go one step further and ban candidates and members of Congress from raising funds during legislative sessions.

10

A 2012 study found that "the more companies give in campaign contributions, the more they get in contracts, on average."² In fact, the study found that \$200,000 in donations leads to an average addition of 107 government contracts. Would you support legislation that prohibits the executives, lobbyist, and company PAC from donating to federal candidates if the company has or is seeking federal contracts?

YES NO

OPTIONAL EXPLANATION:
