ABOUT END CITIZENS UNITED PAC

End Citizens United PAC (ECU) is dedicated to ending the tidal wave of unlimited and undisclosed money that has reshaped our politics and damaged our democracy.

ECU is a community of more than 3 million Americans dedicated to reforming our nation's broken campaign finance system and ending *Citizens United*. Our supporters are active and engaged in the political process as a progressive grassroots community dedicated to electing campaign finance reform champions.

Our strength comes from the power of many individuals standing together to call for change. We're proud to be supported by more than 300,000 donors across America who helped create a groundbreaking model that proved there's a way for the grassroots to compete with corporate special interests and billionaires.

ABOUT THIS SURVEY

ECU will use this questionnaire and past votes, statements and actions on campaign finance issues to guide our process for selecting candidates to endorse.

ECU takes a full and comprehensive approach to rectifying the severe consequences the *Citizens United* decision has had on our elections. There are many avenues to fixing our broken campaign finance system: Enacting a constitutional amendment to overturn the *Citizens United* decision, confirming federal judges and Supreme Court Justices who believe political donations do not equate to political free speech, and supporting legislation that will bring full disclosure of and limits to the money flowing into our elections.

Kindly return your completed questionnaire by sending an electronic copy to Jordan Wood at Jordan@endcitizensunited.org. Your answers to this questionnaire as well as any endorsements made by End Citizens United PAC will be released to the public.

1. Do you support or oppose the Supreme Court's *Citizens United* decision, which allowed corporations to spend unlimited amounts of money on elections?

SUPPORT OPPOSE

2. Do you support the Democracy for All Amendment (H.J. Res. 31), introduced by Rep. Ted Deutch (FL-22), Rep. Jim McGovern (MA-02), and Rep. Jamie Raskin (MD-08)?

The Democracy for All Amendment is a Constitutional Amendment that would overturn Supreme Court decisions including Citizens United, Buckley v. Valeo, and McCutcheon v. FEC.

YES NO

3. Do you support the DISCLOSE Act (H.R. 1134)?

The DISCLOSE Act, introduced by Rep. David Cicilline (RI-01), would require “dark money” groups, such as 501(c)(4) social welfare organizations and 501 (c)(6) organizations, disclose their donors and spending when they engage in any political activity that mentions a candidate for federal office and/or is intended to influence a federal election.

YES NO

4. Do you support the KOCH Act (H.R.1439)?

The Keeping Our Campaigns Honest (KOCH) Act, introduced by Rep. Ben Ray Lujan (NM-03), Rep. Peter Welch (VT-AL) and Rep. John Yarmuth (KY-03), would require the FCC to demand that outside political groups (dark money organizations) disclose the names of their major donors funding political ads.

YES NO

5. Do you support the Government By The People Act (H.R. 20)?

The Government By The People Act, introduced by Rep. John Sarbanes (MD-03), would grant voters a voucher worth up to \$50 (through a tax credit) for campaign contributions, and it would provide a six-to-one federal match. This would incentivize candidates to seek widespread small-dollar funding for their campaigns.

YES **NO**

6. Do you support the Get Foreign Money out of US Elections Act (H.R. 1615)?

The Get Foreign Money out of US Elections Act, introduced by Rep. Jamie Raskin (MD-08), would expand the current ban on campaign contributions and independent expenditures by foreign nationals to include foreign-owned and controlled domestic corporations.

9. Under current law, government contractors are restricted from making direct political contributions but are permitted to pass political spending through non-profits, such as 501(c)(4) and 501(c)(6) groups. Do you support legislation to close this loophole?

YES NO

10. Please share any additional ways you support meaningful campaign finance reform.

Ending the corrupting influence of secret, special-interest money in our elections and political process is why I'm running for Congress, and it's why I have sworn off corporate PAC money myself. My campaign is powered by small, individual donations, and this is a very important issue to me.

As Congresswoman I'd work to craft and pass legislation that caps spending on campaigns to an amount not to exceed \$250,000.

To keep 501c(4)'s from lying in their applications about "operating primarily for the promotion of the social welfare," I'd work to introduce legislation that would force the IRS to change the language that these groups exploit--the word "primarily". If a group spends more than 15% of its quarterly budget engaged in political activity, they'd lose their 501c(4) status and would face harsh fines. To stop massive injections of corporate dark money through LLC's I'd introduce legislation that make this practice illegal. We need the strongest possible disclosure laws, period.
