**Q7** This year the House of Representatives passed HR1 - the biggest anti-corruption bill in history that will crack down on corruption in both parties. Mitch McConnell and Joni Ernst have refused to allow a fair up or down vote on the bill, which prevents politicians from profiting off their offices by strengthening ethics laws and lobbying rules, limiting the influence of wealthy donors, and stopping secret corporate money from boosting their campaigns. Do you support or oppose HR1?

*Support* ..... 51%  
*Oppose* ..... 15%  
*Not Sure*..... 34%

**Q8** A recent AP investigation caught Republican Senator Joni Ernst arranging for \$50,000 in dark money to benefit her campaign, breaking anti-corruption laws. The dark money group paid for ads to cover up Ernst's votes that rewarded her donors by raising Iowans' healthcare costs. Ernst also took prohibited money and was charged with the largest federal election fine an Iowa politician has ever paid. Senator Ernst promised she would stand up to special interests, but instead she's been collecting their money and putting their interests ahead of Iowans. Having heard this, let me ask you again: If the election for US Senate were held today, and the candidates were Democrat Theresa Greenfield, and Republican Joni Ernst, who would you vote for?
