2020 House Questionnaire

ABOUT END CITIZENS UNITED PAC

End Citizens United PAC (ECU) is dedicated to ending the tidal wave of unlimited and undisclosed money that has reshaped our politics and damaged our democracy.

ECU is a community of more than 4 million Americans dedicated to reforming our nation's broken campaign finance system and ending Citizens United. Our supporters are active and engaged in the political process as a progressive grassroots community dedicated to electing campaign finance reform champions.

In 2018, End Citizens United helped elect 60 Democratic candidates to the House and Senate, including electing 34 new members who reject corporate PAC money, flipping 44 seats, and making campaign finance reform central to the movement that elected a Democratic majority to the House.

Our strength comes from the power of many individuals standing together to call for change. We're proud to be supported by more than 500,000 donors across America who helped create a groundbreaking model that proved there's a way for the grassroots to compete with corporate special interests and billionaires.

ABOUT THIS SURVEY

ECU takes a full and comprehensive approach to rectifying the severe consequences the Citizens United decision has had on our elections. There are many avenues to fixing our broken campaign finance system: Enacting a constitutional amendment to overturn the Citizens United decision, confirming federal judges and Supreme Court Justices who believe political donations do not equate to political free speech, and supporting legislation that will bring full disclosure of and limits to the money flowing into our elections.

ECU will use this questionnaire and past votes, statements and actions on campaign finance issues to guide our process for selecting candidates to endorse. We take a holistic approach that emphasizes a candidate's overall commitment to reforming our political system; ECU encourages, but does not require, 100% support of the included questionnaire items as a prerequisite for endorsement.

Kindly return your completed questionnaire by sending an electronic copy to Evan Brown at evan@endcitizensunited.org. Your answers to questions 1-12 in this questionnaire as well as any endorsements made by End Citizens United PAC will be released to the public.
